Property and Area Description

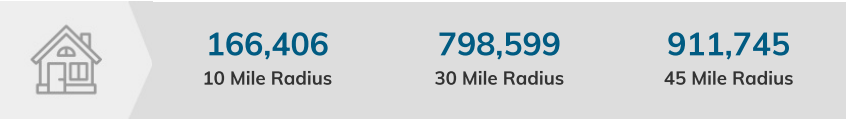

Summit Fair, a open-air lifestyle center, serves the growing, affluent southeast Jackson County area of the Kansas City metropolitan area. Anchored by Macy's and JCPenney, this center also includes home furnishings, men' and women's fashion, fast-casual eateries, sit-down restaurants and specialty retailers. Conveniently located off of Interstate 470 & Highway 50, the shopping center is just east of RED Development's successful power center SummitWoods Crossing. The synergy of shops and restaurants, combined with SummitWoods Crossing's stores, SuperTarget, Best Buy, Kohl's and Old Navy, makes this a shopping destination for southeast Jackson County. The design of Summit Fair features a Main Street shopping area with beautiful landscaping and pedestrian walkways.
