Property and Area Description

Colliers is proud to present The Beach Club Residences, a landmark property in the heart of Minneapolis’s esteemed lakes district, renowned as the premier 332 unit apartment community in the celebrated Chain of Lakes, embodying timeless appeal and excellence in living. The coveted neighborhoods surrounding the property are home to business executives, professional athletes, and philanthropists, and represent the pinnacle of upscale living, with a median home value of \$694,062 and an average household income of \$196,285. While newer developments have emerged nearby, The Beach Club Residences maintains its iconic status, known for its distinction, prestige, and unmatched access to downtown Minneapolis.
