Property and Area Description

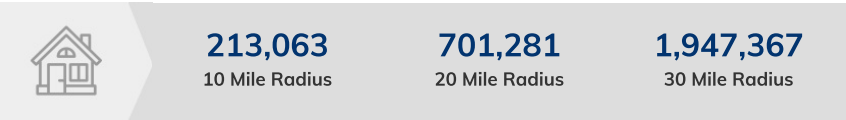

Keystone Trade Center is a strategic logistics hub for global industrial occupiers, a reinvention of the historic U.S. Steel Fairless Works steel plant site into a state-of-the-art 15 Million SF distribution and warehouse campus. Building 6 is a 1,035,696 SF (divisible) Class A built-to-suit industrial building available for lease. The building features 104 dock doors, 4 drive-ins, 234 trailer parking, and 726 auto parking spaces. Location is ideally situated to provide service to the Northeast and Mid-Atlantic markets. Keystone Opportunity Zone (KOZ).
