Property and Area Description

McKinney Farms West spans approximately 335 acres across ten contiguous parcels, all under single ownership, offering one of the largest and most versatile development opportunities in the region. Strategically located along the newly constructed Grand Prairie Parkway, the site features prominent frontage in West Des Moines' most dynamic growth corridor. Designated for future industrial use, McKinney Farms is a true greenfield site—currently unzoned but ideally positioned for industrial, logistics, or large-scale commercial development. Its exceptional connectivity—equidistant to Interstates I-35 and I-80—provides seamless access to regional and national transportation networks. With its scale, location, and access to critical infrastructure, McKinney Farms is a rare opportunity for forward-thinking investors and developers looking to shape the future of West Des Moines.
