CONTACT INFORMATION

ECONOMIC DEVELOPMENT Tracking For Success Elion Logistics Park 55 ("ELP 55") is a 30+ million square foot master-planned development of industrial and commercial space located 40 miles southwest of Chicago, IL. The site has access to BNSF Railway and has received certification as part of BNSF Railway's Site Certification program. BNSF certification ensures a site is ready for rapid acquisition and development through a comprehensive evaluation of existing and projected infrastructure, environmental and geotechnical standards, utility evaluation and site availability.
